

Cutter-Roller

**New Roller Available
for Selected HE-VA Rollers**

The New Cutter-Roller

The new Cutter-Roller knife roller – inspired by our Top-Cutter / Top-Cutter Solo – is now available for selected HE-VA rollers.

The knife roller is available in Ø545 mm and Ø595 mm, with the option of increasing the weight by filling it with water.

The 8 carbide blades provide effective chopping and promote faster decomposition of crop residues.
